a bridge to a brighter future

Throughout each week, campers will participate in activities in the greenhouse, gardens, horse barn, small animal and wooded areas as well as in the art room and kitchen, learning new skills and accomplishing goals.

Camp activities designed for:

- * Socialization & leadership
- * Improved self-esteem & decision making
- * Reducing anxiety
- * Emotional/behavioral management
- * Improving concentration and sensory integration
- * Analyzing and awareness of feelings through animals and nature
- * Vocational and life skills
- * Riding instruction, gardening skills, and environmental care
- * Learning to work in groups to accomplish tasks
- * Hands-on education of animal and plant care

Campers are responsible for their own transportation and lunch with the exception of Friday's pizza party. Boots and helmets are provided, however, campers should come prepared with their own long pants. A personal water bottle, sunscreen, and bug spray are also recommended.

***Eligibility contingent upon approval of application. Space is limited. Completion of this application does not imply acceptance. A confirmation of registration will be sent to all campers*

Glade Run Adventures staff are trained to work with individuals with emotional and behavioral challenges. We are committed to the safety and well being of all campers and reserve the right to discontinue services, without refund, to any camper threatening the safety of staff, volunteers, animals, or other campers.

Does your child have a clinical diagnosis? YES NO
If yes, please list your child's diagnosis in order of severity including multiple diagnosis:

Please describe any concerns that you may have relevant to his/her camp experience:

Please list any individualized goals you may have for your child's camp experience:
